

Experience the World's #1 Executive & Business Leadership Coaching.

Work with internationally certified John Maxwell Team coaches. Leaders who have been trained and personally mentored by the world's number one leader in business.

Experienced Coaches

Our coaches dominate their world, they have the highest training in the discipline and have years of experience leading teams and growing businesses. When you sign-up, we become your trusted growth partners-walking alongside you to help you quickly move from where you are to where you want to go.

World Class Tools

Solutions Africa is a distributor for Insights Discovery in Africa, a partner to the New York University communications for behavior impact program and member of the John Maxwell Team. We give you access to the world's leading resources in personal and professional development.

A Platform to Grow

This is not an academic program and we don't tick-off checkboxes. It is an applied learning process that helps you to grow into the person you want to become. There will be hard work involved on your part, but we are here to give you constant support as you stretch yourself.
